

Vote in PVHA Board of Directors Election Reform Needed - Vote to Rebuild PVHA

After First Ballot Returns, only 341 (6%) of Ballots Accepted (and Another 94 Ballots Rejected for Lack of Signature)
-- Well Short of the Quorum Requirement to Have a Valid Election

SO PLEASE SIGN ENVELOPE AND VOTE!

Vote “Yes” to Lower Quorum to 35% from 50%

Without Quorum, No Election and No Democracy -- Board Re-Appoints Themselves

- Current 50% (+1) quorum was achieved only 29% of the time since 1941, and only three times in the last 25 years
- No valid elections in the past ten years. None of the current Board members have ever been elected
- First time in 90+ years you can vote to lower quorum and bring democracy to PVHA -- Don't miss this opportunity
- Current PVHA Board (and all candidates) support “Yes” on Lowering the Quorum

ROBE Candidate Positions on Issues

- **View Policy:** *Replace Resolution 185 (passed in 2019) which took away rights for half the residents to pursue view blockage concerns*
- **Art Jury Approval Process:** *Streamline and make more transparent*
- **Fiscal Responsibility:** *Rebuild PVHA's finances after the previous PVHA Board burned through over \$1M in reserves defending their right to sell parkland. Reserves now only \$56k*
- **5G implementation:** *Minimize the aesthetic impact of new antennae towers*
- **ADU:** *Push back on state usurpation of local authority and attack on our CC&Rs' single family residency*
- **Governance reforms:** *Reduce quorum, set term limits, implement online voting, update By-Laws and seek member approval*
- **Communications and transparency with members:** *Improve PVHA website, collect emails, post Board meeting agendas in advance, make financials available to members, etc.*
- **Maintenance of Parklands:** *Demand that City of PVE enforces removal of Parkland encroachments and better maintain parkland and existing trails*
- **Digitization records:** *Mitigate risk of compromise to PVHA function from fire/earthquake*
